Requirements for Submissions

All submissions must conform to the GSP regulations set forth at 15 CFR Part 2002, except as modified below. In order to facilitate prompt processing of submissions to this notice, USTR strongly urges and prefers electronic e-mail submissions in response to this notice. Hand delivered submissions will not be accepted. These submissions should be single copy, with no multiple copies for printing. Electronic submissions by e-mail should use the following subject line: “Bangladesh GSP Product Review.” Documents, in English, must be submitted in either of the following formats: WordPerfect (“WPD”), MSWord (“DOC.”), or text (“TXT.”) files. Documents may not be submitted as electronic images or graphic files or contain encrypted images (for example, “JPG”, “PDF”, “BMP,” or “GIF”) as these graphic files are generally excessively large and inhibit distribution to the GSP Subcommittee. Electronic submissions containing such files may not be accepted. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel files, formatted for printing only on 8½ x 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked “BUSINESS CONFIDENTIAL” at the top and bottom of each and every page of the document. The public version, which does not contain business confidential information, must also be clearly marked at the top and bottom of each and every page (either “PUBLIC VERSION” or “NON-CONFIDENTIAL”). Documents that are submitted without any marking might not be accepted or will be considered public documents.

For any document containing business confidential information submitted as an electronic attaches file to an e-mail transmission, the file name of the business confidential version should begin with the characters “BC,” and the file name of the public version should begin with the characters “P.” The “BC” or “P” should be followed by the name of the party (government, company, union, association, etc.) which is making the submission.

E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself. Including a copy of identifying information on the sender, including sender’s email address. The e-mail address for these submissions is FRONT20USTR.GOV. Documents not submitted in accordance with these instructions might not be considered in this review. If unable to provide submissions by e-mail, please contact the GSP Subcommittee in advance for an alternative method of transmission.

Information submitted will be subject to public inspection shortly after the relevant due dates by appointment with the staff of the USTR public reading room, except for information submitted and properly marked that is granted “business confidential” status pursuant to 15 CFR 200.6 and other qualifying information submitted in confidence pursuant to 15 CFR 200.7. Public versions of all documents relating to this review will be available for review after the relevant due dates by appointment in the USTR public reading room, 1724 F Street NW, Washington, DC. Appointments may be made from 9:30 a.m. to noon and 1 p.m. to 4 p.m. Monday through Friday, by calling (202) 395-6166.
