**OFFICE OF THE UNITED STATES
TRADE REPRESENTATIVE**

**Identification of Countries Under
Section 182 of the Trade Act of 1974:
Request for Public Comment**

AGENCY: Office of the United States Trade Representative.

ACTION: Request for written submissions from the public.

SUMMARY: Section 182 of the Trade Act of 1974 (Trade Act) (19 U.S.C. 2242), requires the United States Trade Representative (USTR) to identify countries that deny adequate and effective protection of intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Section 182 is commonly referred to as the "Special 301" provision of the Trade Act. In addition,

USTR is required to determine which of those countries should be identified as Priority Foreign Countries. On April 30, 2005, USTR announced the results of the 2005 Special 301 review and stated that Out-of-Cycle Reviews (OCRs) would be conducted for Ukraine and Saudi Arabia. USTR will conduct these OCRs in the fall of 2005. USTR requests written comments from the public concerning the acts, policies, and practices relevant for this review under Section 182 of the Trade Act.

DATES: Submissions must be received on or before 5 p.m. on Friday, October 14, 2005.

ADDRESSES: Comments should be addressed to Sybia Harrison, Special Assistant to the Section 301 Committee, and sent (i) electronically, to FR0526@ustr.gov, with "Special 301 Out-of-Cycle Review: Ukraine and Saudi Arabia" in the subject line, or (ii) by fax, to (202) 395-9458, with a confirmation copy sent electronically to the e-mail address above.

FOR FURTHER INFORMATION CONTACT: Jennifer Choe Groves, Director for Intellectual Property and Chair of the Special 301 Committee, Office of the United States Trade Representative, (202) 395-4510.

SUPPLEMENTARY INFORMATION: Pursuant to Section 182 of the Trade Act, USTR must identify those countries that deny adequate and effective protection for intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Those countries that have the most onerous or egregious acts, policies, or practices and whose acts, policies, or practices have the greatest adverse impact (actual or potential) on relevant U.S. products may be identified as Priority Foreign Countries. Acts, policies, or practices that are the basis of a country's designation as a Priority Foreign Country are normally the subject of an investigation under the Section 301 provisions of the Trade Act.
